## Providence Scholars

At Providence M.B. Church we encourage our youth to pursue their goals, dare them to dream, challenge them to never put limits on what can be accomplished and to strive for excellence not only in academics but also in life. We remind them to be an example to those who regard them as mentors and examples of Christian youth; and they have not disappointed.

Our youth are encouraged to apply to nationally accredited schools in various fields of study and they are selected and completing their studies locally, out-of-state and globally at institutions of higher education. Many of our youth maintain a 3.0 GPA and higher while balancing full academic course loads & simultaneously working and/or volunteering.

PMBC students engage in extra-curricular activities focused on helping others within the church, neighboring communities and on campus as they continue to represent Christ.

## Support our Students

Our students' families sacrifice to ensure that they receive the best education, but sometimes financial burdens are out of our control that adversely affect and ultimately may result in our youth being unable to return to school and/or to obtain the necessary books, materials, etc., required to continue school.

### The Great Investment

By donating to the PMBC College Scholarship you are investing in the future of students. It's a financial decision as to whether you will offer your support which will be the greatest Return on Investment (ROI) that you can make by your commitment to education. Our students are the epitome of diversity, they are exceptional students and their academic achievements are only surpassed by their desire to serve the community as they represent Christ.

Every donation will greatly benefit our scholarship program & support our youth.

Thank you for your support!
